

Dearly beloved brothers, sisters, friends and co-workers,

As we usher in the new year, I join in greeting you, and all that are in your circles, a very joyful year, filled with the 'peace that passeth all understanding'. May we all bask in the confidence that we are all in His Almighty hands of love and grace. This confidence will also fill us with the strong faith that under any circumstance "...all things work together for good...".

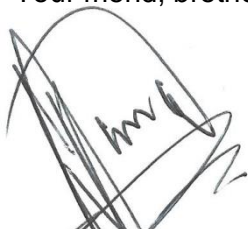

I thank you with all my heart, for being such wonderful helpers within the scope possible to each of you. The possibility of collaborating with you in this high commission was a gift given by God, and I am humbled by it.

A special word of thanks to the many who dedicated time, energy, money and sweat for the visit of our Chief Apostle which is now 50 days behind us. Our great God did not disappoint us, but yet again revealed Himself with blessed experiences to all who laboured towards comprehending Him.

Our task is not complete until we are with Him and see Him face to face. Until then, I wish that we will all be "Faithful to Christ", as we travel together on our separate yet common journey, until we reach the goal that He, in His greatness, has set for us

Let us uphold each other through our human side and be elevated to higher realms.

Your friend, brother and Apostle of Jesus Christ.
